Remarks:
“REVIEWED”

For Construction Submittal Review:
The review of Shop Drawings, Product Data and Samples is for the limited purpose of checking for conformance with the design concept of the project and compliance with the information given in the Contract Documents. The Contractor is solely responsible for dimensions, quantities, fabrication processes, installation, construction techniques, coordination for the work of all trades and for errors and omissions in the Shop Drawings. The Architect’s review shall not constitute approval of safety precautions; or unless otherwise specifically stated by the Architect, of any means, methods, techniques, sequences, procedures, or deviations from the Contract Documents.
