This Addendum is issued in accordance with the provisions of "The General Conditions of the Contract for Construction," Article 1, "Contract Documents" and becomes a part of the Contract Documents as provided therein. This Addendum includes:

- 1. The specification reference within the General Conditions referencing the 1997 edition of AIA A201 will remain. Please disregard the "latest edition" references of A201.**
2. Within the specifications "Table of Contents" please delete spec section 09310 CERAMIC TILE.
3. Please see updated sheet P-1. "NOTES" have been added to the drawing identifying the numbered Hexagons on the drawing. In addition, an "EQUIPMENT SCHEDULE" has been added to the drawing identifying the numbered equipment on the plan.

This concludes Addendum no. 1.
