

SECTION 01632

USE OF ARCHITECTURAL AND ENGINEERING DOCUMENTS

PART 1 – GENERAL

1.01 GENERAL

- A. Construction Documents including drawings and specifications have been prepared by the Architect specifically for this project. The Architect (C4 Architecture, LLC) is deemed the author of these documents and retains all common law, statutory and other reserved rights, including the copyright.
- B. Reproducible Hard Copies: Reproducible hard copies of the Construction Documents are available for use by the Owner and Contractor solely for use on this project. The documents will be available for the actual cost of reproduction and delivery or via PDF download.
- C. Electronic Files: The drawings have been prepared in Electronic Format on AutoCAD. Electronic files of the Construction Documents, with title blocks omitted, will be available to the Owner and Contractor when, in the judgment of the Architect, it will help facilitate the construction process while at the same time allowing reasonable control over the submittal review process. The use and distribution of this copyrighted and confidential material is at the Architects discretion and is strictly limited. There is no implied or expressed warranty as to the accuracy of the electronic files and the information contained within is subject to change at the discretion of the Architect
  - 1. The cost of drawing electronic files provided by the Architect or its consultants for use by the Contractor, Subcontractors and Suppliers will be \$50.00 per drawing sheet. The drawing files will be released only upon receipt of payment.
  - 2. When receiving the electronic files, the recipient must sign a copy of the attached release form.

PART 2 - PRODUCTS - Not Used.

PART 3 - EXECUTION - Not Used.

END OF SECTION

**DATE:** APRIL 2010

**JOB NAME.:** WESTMINSTER TOWERS DINING ROOM RENOVATION

**ARCHITECT'S JOB NO.:** 10023

\_\_\_\_\_(Company Name)\_\_\_\_\_ acknowledges that C4 Architecture, LLC (the Architect), with compensation for the cost of processing the request, will provide certain files for the above referenced project to be used for preparation of shop and/or coordination drawings on the above job only. By receiving these CAD files the user assumes all responsibility to determine if this CAD data is applicable and/or accurate for its intended use and user must make their own changes due to the version or standards utilized. The Architect is not responsible to the recipient for the compatibility with the recipient's hardware and/or software. It is imperative that user check this data for virus.

The data contained herein is copyrighted and confidential material which is the sole property of C4 Architecture, LLC and is transmitted for use on the project specified above only. The recipient of this data assumes all liability resulting from its use and hereby releases the Architect or Engineer from liability of any nature, express or implied, relating to use of this data.

All information contained herein is subject to change at the discretion of the Architect. It shall not be copied or provided to any other parties for any use whatsoever.

\_\_\_\_\_ agrees to release, indemnify and hold harmless the Architect with respect to any claims, cost and/or liabilities between Architects and themselves and/or a third party whom we release information, arising out of or relating to the accuracy and /or completeness of this CAD information.

I certify that I am an officer/representative of \_\_\_\_\_ Company and authorized by same to provide and agree to the above terms and conditions.
